RE: MTC TIP Revision 2011-22 – Amendment

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2011 Federal Transportation Improvement Program (TIP). TIP Amendment 2011-22 revises 100 projects with a net increase in funding of \$157 million. Among other changes, the revision:

- Archives 52 projects from the TIP as they have been completed;
- Deletes four projects from the TIP: two duplicate projects and two projects because the funding has been redirected to other projects;
- Amends seven new exempt projects into the TIP (AC Transit: Procure (23) 60' Articulated Buses using \$16.6 million in Proposition 1B funds; AC Transit: Procure (37) 40' Urban Transit Buses using \$13.6 million in Proposition 1B funds; AC Transit: Procure (30) 40' Suburban Buses using \$11.3 million in Proposition 1B funds; LAVTA - East Bay Radio Communication System Hookup using \$512,000 in FTA 5307 funds; Capital Improvements for Muir Woods Shuttle using \$1.1 million in FTA 5320 funds; Parking Pricing Regional Analysis with \$700,000 in Local funds and Stewarts Point Rancheria EV Pilot Program with \$367,000 in regional exchange funds);
- Amends one new grouped listing into the TIP (GL: FY10 Mobility Management & Job Access [REG110028]) with 846,000 in Other Local funds;
- Updates the funding plan of the Freeway Performance Initiative to add in \$66 million in Other Local funds;
- Updates the funding plan of the Incident Management Program to add in \$17.9 million in Other Local funds;
- Updates the funding plan and back-up listing of the Caltrans Managed Grouped Listings for Highway Maintenance (REG090058) to add \$12.3 million; and
- Updates funding plans of 12 regional planning activities projects to add in \$37.4 million in Other Local funds and \$7.6 million in STIP funds.

The modifications made pursuant to this revision do not require a new regional emissions analysis because the projects were found to conform as a part of a previous analysis, pursuant to the transportation conformity provisions found in 40 CFR Part 93 section 122(g). MTC's 2011 TIP, including Revision No. 2011-22, was developed through a continuing, cooperative, comprehensive transportation planning process in accordance with 23 U.S.C. §134 and 49 U.S.C. Chapter 53 and MTC's Public Participation Plan.

TIP financial constraint documentation submitted with this revision shows that MTC's TIP is financially constrained as required by the federal surface transportation programs authorizing legislation and statewide and metropolitan planning and programming regulations. MTC's 2011 TIP, as revised with TIP Revision No. 2011-22, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP).

The revised TIP entries and the updated fiscal constraint documentation have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793.

Sincerely,

Ann Flemer
Deputy Executive Director, Policy
